

## **Seek and Ye Shall Find**

Seek and ye shall find a toy upon the shelf  
That no one else has taken for himself.  
It waits for you to find what no one else has seen.  
Go seek and ye shall find out what I mean.

Seek and ye shall find a chair that's straight and tall  
That no one else is sitting in at all.  
It waits for you to find what no one else has seen.  
Go seek and ye shall find out what I mean.

Seek and ye shall find the gift that God will name:  
To each and every one it's not the same.  
It waits for you to find what no one else has seen.  
Go seek and ye shall find out what I mean.
