

This Is Why, Too

We tend to notice:

One flat wheel on a 4-wheeled car;
Something big; Something we want; Things that change;
Something bad that happens.

We don't tend to notice:

The 3 wheels that work;
The little things;
The things we've had for a while;
The things that don't change;
The good things.

Then Jesus came along and he pointed out:

The things we rarely notice;
The little things;
That which we've had with us for a while;
The eternal things;
The good things.

On Good Friday, God took Him away, in order that we might know:

Who was right, not wrong;
Who the true building block of life is;
Who is with us all the time;
And that the Good always win in the end.
